Do You Open Your Mouth

Like a young bird and gulp down whatever food or medicine may be offered you? Or, do you want to know something of the composition and character of that which you take into your stomach whether as food or medicine?

Most intelligent and sensible people now-a-days insist on knowing what they employ whether as food or as medicine. Dr. Pierce believes they have a perfect right to insist upon such knowledge. So he publishes, broadcast and on each bottle, what his medicines are made of and what they do because the more the ingredients of which his medicines are made are studied and understood the more will their superior curative virtues be appreciated.

For the cure of woman's peculiar weaknesses, irregularities and derangements, giving rise to frequent headaches, backache, dragging-down pain or distress in lower abdominal or pelvic region, accompanied, oftentimes, with a debilitating, pelvic, catarrhal drain and kindred symptoms of weakness, Dr. Pierce's Favorite Prescription is a most efficient remedy. It is equally effective in curing painful periods, in giving strength to nursing mothers and in preparing the system of the expectant mother for baby's coming, thus rendering childbirth safe and comparatively painless. The "Favorite Prescription" is a most potent, strengthening tonic to the general system and to the organs distinctly feminine in particular. It is also a soothing and invigorating nerve and cures nervous exhaustion, nervous prostration, neuritis, hysteria, spasms, chorea or St. Vitus's dance, and other distressing nervous symptoms attendant upon functional and organic diseases of the distinctly feminine organs.

A host of medical authorities of all the several schools of practice, recommend each of the several ingredients of which "Favorite Prescription" is made for the cure of the diseases for which it is claimed to be a cure. You may read what they say for yourself by sending a postal card request for a free booklet of extracts from the leading authorities, to Dr. R. V. Pierce, Invalids' Hotel and Surgical Institute, Buffalo, N. Y., and it will come to you by return post.

Indigestion

Stomach trouble is but a symptom of, and is itself a true disease. It is not a trifling ailment, and is not a real disease, yet it is a symptom of a certain specific nerve sickness—nothing else. It was this fact that first correctly led Dr. Shoop in the creation of that now very popular Stomach Remedy—Dr. Shoop's Restorative. Going direct to the stomach nerves, alone brought about a cure, and favor to Dr. Shoop and his Restorative. Without that original and highly vital principle, no such lasting accomplishments were ever to be had. For stomach distress, bloating, biliousness, bad breath and salivary complexion, try Dr. Shoop's Restorative—Tablets or Liquid—and see for yourself what it can and will do. We sell and cheerfully recommend.

CATHOLIC CHURCH IN FRANCE

Cardinal Richard, Archbishop of Paris and head of the Roman Catholic Church in France, who has represented the Vatican policy on all church questions, has addressed a letter to the clergy of France, in which he comments forcibly on current religious conditions. The letter was written in connection with the approaching pastoral retreat at Issy. Cardinal Richard points out that the Pope has spoken twice this year in a vigorous manner on affairs of the church. The first message was his encyclical to the bishop, clergy and people of France, condemning the un-Christian constitution which the anti-Christian sects wished to impose upon the church in France in bringing forward the associations cultuelles.

The second time the Holy Father spoke, the Cardinal continues, was when he reproved the errors of critics and books "designed to penetrate the souls and destroy teachings of the Catholic faith." These orders were put forth "under the perfidious and fallacious pretext of bringing the church into harmony with the development of human intelligence and the progress of modern science."

"This is the double peril," adds the Cardinal, "against which we must guard: the destruction of the church and of Christian society, the laws prepared by un-Christian sects and the crisis of the church in the mendacious exposition of doctrine."

On the first peril, the Cardinal says he finds happiness in contemplating the complete accord reigning between Pope and bishops, and between bishops and Catholic laymen. He exhorts the clergy to fulfill their mission with zeal and apostolic order. As for the doctrinal question, Cardinal Richard declares that there is a crisis in France it is due to the fact that the religious instruction of today is too superficial when it is not, indeed, utterly worthless. He recommends in this connection the development of religious instruction in all its aspects by the use of clarifying comment, by the explanation of the catechism and by special instruction and conference.

Had Tetter for Thirty Years.

I have suffered with tetter for thirty years and have tried almost countless remedies with little, if any, relief. Three boxes of Chamberlain's Salve cured me. It was a torture. It breaks out a little sometimes, but nothing to what it used to be.—D. H. BRACH, Midland City, Ala. Chamberlain's Salve is for sale by W. F. Creighton & Co., and Gibson & Timberman.

POPE MODIFIES MARRIAGE LAW.

The modification which has been made in the marriage laws of the Catholic Church is a most interesting example of the extreme care exercised by Pius X in matters affecting the church and religion. In all Catholic countries the laws of the church on this subject are those laid down by the Council of Trent. The original decree of the council prescribed that no marriage should be valid unless celebrated before a priest. Later a most binding and important change was made in Rome. The priest in question must be the parish priest of the contracting parties. This has not given satisfaction and has led to wide differences of opinion. Pius X, who has settled the matter by a new decree, which will go into effect at Easter 1908. This new decree declares valid marriages celebrated before a diocesan bishop or before the parish priest or one of the contracting parties or before someone delegated by him.

The most important change made by this decree is that which recognizes the validity of a marriage celebrated before two witnesses, without the assistance of a priest. This concession is surrounded by very strong restrictions, but, nevertheless, it is a pure and simple recognition of the civil marriage.

BABY UNDER A PEW.

During the services in the Church of the Most Precious Blood, at 115 Baxter street, New York, yesterday evening, the feeble cries of an infant were heard by a worshipper, and an investigation revealed the little waif, less than six hours old, under one of the pews. Rev. Father Palamiz, who was presiding, was notified, and he at once stopped the services and ordered the child to be brought to him at the altar. Lamenting crying, the infant was taken to him. He baptized it Mario Lineola and sent for a policeman. Later the waif was sent to Bellevue Hospital. The infant was

A Humane Appeal.

A humane citizen of Richmond, Ind., Mr. U. D. Williams, 107 West Main St., says: "I appeal to all persons with weak lungs to take Dr. King's New Discovery, the only remedy that has helped me and fully comes up to the proprietor's recommendation." It saves more lives than all other throat and lung remedies put together. Used as a cough and cold cure the world over. Cures asthma, bronchitis, croup, whooping cough, quinsy, hoarseness, and phthisis, stops hemorrhage of the lungs and builds them up. Guaranteed by E. S. Leadbeater & Sons, druggists, 50c and \$1.00. Trial bottle free.

Tell Them You Know!
You may tell your friends, on our "say so," that when they buy a package of the genuine Arbuckles' Ariosa Coffee they get the best of the coffee trade.

No coffee of equal quality can be sold in this town for the same price, whether it be sold out of a bag or a bin, or under some romantic trade-mark. You may tell them you know and that Arbuckle Brothers, the greatest coffee dealers in the world, will stand for it.

wrapped from head to foot with fine lint, a handkerchief was tied about its throat, and a lump of sugar, which had been tied inside of a corner of the handkerchief, had evidently slipped out of the child's mouth, causing it to cry. There was much commotion among the women worshippers, two of whom wanted to adopt the infant then and there.

Stomach troubles, Heart and Kidney ailments, can be quickly corrected with a prescription known to druggists everywhere as Dr. Shoop's Restorative. The prompt and surprising relief which this remedy immediately brings is entirely due to its Restorative action upon the controlling nerves of the Stomach, etc.
